

ENZYMES⁺

GENERAL DESCRIPTION :

ENZYMES⁺ is specially formulated for all craft and industrial applications for **aqua cleaning** and laundry.

ENZYMES⁺ enzymatic pre-spotting liquid has a strong stain removal power to remove **oil, grease, makeup and organic stains and odors**

ENZYMES⁺ contains emulsifiers for oil, fat and other protein stains

ENZYMES⁺ is formulated with enzymes and wetting agents to ensure removal full of grease spots.

MANUAL :

As a stain remover to remove heavy or light stains, Spray the product on the stain, or saturate it entirely with ENZYMES⁺.

Let sit for at least 15 to 20 minutes or even more depending on the nature of the stain, then wash. Stubborn stains may require mechanical action: scrub by hand using a stain removal brush.
